

GEELONG GALLERY

Congratulations

on joining the

Gallery Grasshoppers

Established in 1982 as a support group of the Geelong Gallery, the *Grasshoppers* – raise funds for the Gallery and generally support the organisation, while enjoying excellent company, a range of lively social events, excursions, and gallery programs.

The *Grasshoppers* host special events such as cocktail and Christmas parties as well as coach trips to other galleries and special exhibitions.

Funds raised by these events have contributed to the refurbishment of the Gallery and, most significantly, to the acquisition of works of art for the Gallery’s permanent collection. The *Grasshoppers* have sponsored the acclaimed *Geelong acquisitive print awards* since 1997.

Membership of the *Grasshoppers* is open to Geelong Gallery Members. Regular meetings take place on the first Tuesday evening each month. These informal sessions are held at *Grasshoppers’* homes and refreshments are provided.

Please return this form with your contact details along with *Geelong Gallery Membership form* to the Geelong Gallery.
