

Risk Assessment—

A visit to the Gallery is a low risk for a school group.

Established in 1896, the Geelong Gallery is one of Victoria's oldest and largest regional art galleries. Situated next to the Town Hall and overlooking Johnstone Park, the Gallery's historic premises have been extensively restored bringing it to an international standard of temperature and humidity control and consistent lighting. The elegant classic-revival style building provides eight superb display spaces for temporary exhibitions, displays of decorative arts and the permanent collection. The building comprises of two levels and has clear signage throughout and disabled access to all areas. The Gallery has public liability insurance.

The Gallery is open 10.00am–5.00pm daily. The Gallery is closed on Good Friday, Christmas Eve, Christmas Day, Boxing Day and New Year's Day.

A bus zone is located out the front of Geelong Library & Heritage Centre.

Special clothing or equipment required—

No special clothing is required; the Gallery temperature is regulated at 20 degrees Celsius +/-2, so suitable clothing, including non-slip shoes in case of wet weather is preferable. A cloakroom is provided for backpacks, umbrellas, raincoats and large bags. Stools are available for students to sit on.

Risk assessment—

A visit to the Gallery is a low risk with the occurrence of injuries unlikely to very unlikely, and if an injury were to occur, it would be minor. In the highly unlikely event of a major injury or illness, the Geelong Gallery utilises the Victorian emergency services and/or ambulance service. The nearest hospital is the Geelong Hospital in Geelong, a two-minute drive from the Gallery. As the Gallery is considered a safe and secure environment, the risk is dependent on the behavior of the students.

	Very likely	Likely	Unlikely	Highly unlikely
Likelihood of fatality				■
Likelihood of major injury				■
Likelihood of minor injury			■	
Likelihood of negligible injury			■
