What we're doing for you

- There are separate entry and exit lanes, floor markings and signage to help visitors maintain safe distances.
- We've provided hand sanitisers at the Gallery entry and at various places throughout the building including the Gallery Store.
- Each Gallery space has its maximum capacity, based on the rule of 1 person per 4 square metres. Please follow instructions from staff.
- All Gallery officers are trained in COVID-safe first aid.
- Gallery seats and ottomans have signage to indicate maximum numbers of people to be seated at any one time.
- We will continue to be guided by the Victorian Government's health guidelines and will provide updates to this information.
