

Geelong Gallery Youth digital project (GG Connected)—trainee overview

Are you interested in showcasing your passion for the visual arts and talent for content creation? Geelong Gallery is keen to meet you. We're looking for two enthusiastic young people to help connect their cohort to Geelong Gallery.

Two **Youth digital project—trainee** roles are currently available for 12-month part-time tenures. Mentored and supported by Geelong Gallery's Marketing & Communications Coordinator, the trainees will work together to scope and create their individual creative projects.

Geelong Gallery's purpose is to provide an experience of art that will enrich people's lives. We promote equity, diversity, inclusion, access and lifelong learning.
